Fax (work): +386-1-543-7771

Short biography:

Born on September 9, 1952 (there were times when this didn't seem so long ago).

Education:

Elementary school in Kranj, from 1959 until 1967.

High school in Kranj, from 1967 until 1971.

Graduated in 1977 at University of Ljubljana, Faculty of Mathematics, field of Mathematics.
Thesis: "Group of units in the field of algebraic numbers".

Master degree 1989 at University of Ljubljana, Faculty of Medicine, field of Biostatistics. Master degree thesis: "Statistical analysis of survival time and its application in survival after myocardial infarction".

Ph.D. 1994 at University of Ljubljana, Faculty of Medicine, field of Biostatistics. Thesis:

“Measures of explained variation in survival analysis” (in English).

Professional experience:

Research fellow	Dept of Biomedical Informatics, Faculty of Medicine, Ljubljana, 1979-1981
Teaching assistant	Dept of Biomedical Informatics, Faculty of Medicine, Ljubljana, 1981-1994
Assistant professor	Dept of Biomedical Informatics, Faculty of Medicine, Ljubljana, 1995-2000
Head of department	Dept of Biomedical Informatics, Faculty of Medicine, Ljubljana, 1995-2019
Associate professor	Dept of Biomedical Informatics, Faculty of Medicine, Ljubljana, 2000-2005
Full professor	Dept of Biomedical Informatics, Faculty of Medicine, Ljubljana, 2005-

Visits and stays abroad

- 1992: 2 weeks at the Department of Medical Computer Sciences, University of Vienna
- 1994: 3 months at the Department of Medical Computer Sciences, University of Vienna
- 1997: 1 month at INSERM in Paris
- 1998 and 1999: twice two weeks at the University of Virginia (Charlottesville)
- 2000: teaching visitor for the spring quarter at the University of California at San Diego.
- 2010: research visitor from February to May (4 months) at University of Lyon, France.
- 2015: research visitor from February to April (3 months) at University of Lyon, France.
- Short visits (from 7 to 10 days) to Paris (1998, 2001), Vienna (2001), San Diego (1999, 2002), and Lancaster (1999).

Membership in international organizations:

- American Statistical Association (until 2010, now discontinued)
- International Society for Clinical Biostatistics
- International Biometric Society
- International Association for Statistical Computing

Membership in Slovenian organizations:

- Slovenian Statistical Society (President from 2000 to 2004)
- Slovenian Society for Medical Informatics
- Mathematics, Physics and Astronomy Society of Slovenia
